

IN REMEMBRANCE

In the box underneath the poppy, type in the name of the person you want to remember. If you know their rank and/or years of birth and death, please add them too.

If you have a photo of the person that you'd like to include instead of the poppy, just email the image to us with the completed memory card, and we'll add in the picture for you.

This is a sample format, but please record the information however you wish:

Sergeant

Isaac L. Williams MM

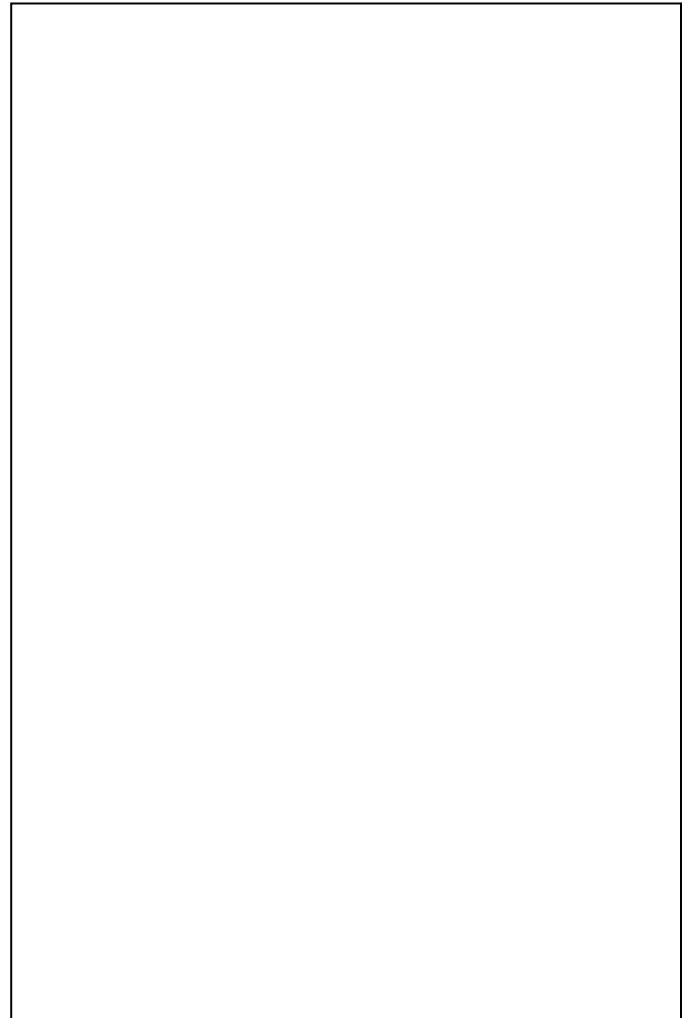

1893-1916

In the box to the right, please type in any details you want to about the person you are remembering.

It doesn't matter if the person doesn't have a direct connection with Solihull. The memory space in the Gallery is for people who now have a connection with Solihull to remember anyone who served or gave their lives during the First World War.

This information will be included in our exhibition, so please don't put your contact details here, nor any personal information about living individuals.

When you've finished, please email the file to **heritage@solihull.gov.uk**

A large, empty rectangular box with a thin black border, intended for users to type in details about a person they are remembering.
