'Our Warwickshire' Community Engagement Programme Visual Artist and Storyteller callout

Heritage and Culture Warwickshire (HCW) is looking to appoint two artists (one storyteller and one visual artist) to deliver a series of creative workshops as part of the 'Our Warwickshire' project. The artists will work with a range of community groups across the County, exploring and showcasing Warwickshire's diverse heritage.

Background to 'Our Warwickshire'

Developed and delivered by HCW and funded by the Heritage Lottery Fund, the 'Our Warwickshire' project aims to further connect visitors and residents of Warwickshire to the varied and rich heritage of the county. The main project areas are the redevelopment of Market Hall Museum in Warwick, the launch of a community-led website called <u>Our Warwickshire</u>, and an extensive Community Engagement programme that will take place during Market Hall Museum's closure period.

The 'Our Warwickshire' Community Engagement Programme

During the Museum closure period, HCW will deliver a number of community engagement programmes across the county. We aim to broaden participation and engagement with HCW, promote HCW's collections, and gather stories and artefacts for display in the newly refurbished Market Hall Museum and as digital records on the *Our Warwickshire* website. Through the programmes we will also work closely with participants to develop co-curated community exhibitions and displays; celebrating the diverse voices of Warwickshire and sharing the stories of local people and communities.
