(Document 1)

Leave all to the future research. The Power at work is not that of the mortals in the Castle of here. The Spirit of me called Edward Jameson is one of these who now haunt the place his ... is low. The meant he possess of hearing words, seeing and thought, and being in power as a spirit be red with a material atmosphere. I not be him to move objects of material ... to create noises. He can be defeated in his purpose by the higher powers of spirits. He is aided by two Men spirits in a little ... These due two mediums be servant whose atmosphere is made use of for the purpose of additional power, one is getting weakened light – the course to adopt is to search the place, + prove that no material forms can do what it is known is done, then to test the spirit forces and overcome these by the higher a... of prayer & spirit aid.

A spirit much pateint will on the truth write

-

Have seen I spirits then – are partially undeveloped – can you suggest anything.

If Jameson cld suggested by wishes wd be given yes – of he s it to Col Drayson (?) wd be just. Yes. Is she x many mediums – yes. James? No. Could he open his mind to L[d]y A. Yes. Make Material noises? Yes. Cd she by praying for them set them free. Perhaps. Have mortals anything to do with it? No. Are the servants responsible for their share? No. Jameson was servant there in this country. He stole their goods & wishes to show where its hidden to beautiful (?). James servants – not plate or money or deeds. Not starved or valet or footman too spirits & men – 5 v... not Jameson's can give 5 names if by Ash's calls 5 alphabet.

Richard Leigh

Sarah Kitchener

It was a footman who did it. & 5 spirits influenced them. Did it begin in her room near her room? Yes. Will you give 5 names of footman?

John

Richard Leigh not one of the Household – not a friend & visitor.

Sarah Kitchener was a servant in this century yes.

Will E Jameson never be quiet till he has told his secret? No.

Will he tell it to by Ash – yes

If she & Ly W sit together will he tell it if sit together in London will he tell it – no.

Must it be at Warwick Castle – Yes

Could Col. help – No.

Is Ly A c... ? yes-

Wld they be quiet now after if E.J had told his secret. S.. they to sit together just as we are doing, in her room? Not where she is now? In the little sitting room now used by her? No.

On s floor in which Ly room is.

Is it in the little room in which she is now ... ? no

In large room where the black & ivory bed is – at end of passage – yes.

If he sat alone? No.

If she & Ld B sat together cld E J tell it – yes.

But better of Ldy A. Yes.
